Code § DHS 110.28\(4\)\(a\)](#). To renew your EMS instructor II certification, you must first successfully [renew your EMS practitioner license](#). You will only have access to the EMS instructor II renewal application after you renew your EMS practitioner license.

Please review the following items to assist you in your 2023-2026 EMS instructor II certification renewal process:

- You must first successfully [renew your EMS practitioner license](#). You will not have access to the instructor II renewal application until after you renew your EMS practitioner license.
- All Wisconsin EMS 2023-2026 EMS instructor II applications are completed in your [E-Licensing](#) account and must be submitted by June 30, 2023.
- [Wisconsin Admin. Code § DHS 110.28\(2\)\(a\)](#) states “Documentation of current certification with the NREMT at the EMT level or higher and at or above the level for which the applicant seeks department certification. Certification with the NREMT at the paramedic level is required for critical care paramedic EMS instructor II certification. If the applicant was licensed as a paramedic under this chapter before January 1, 2013, certification with the NREMT is not required for instructor II certification for any level of training.”
 - If you do not have NREMT certification you may use your teaching hours appropriate to your level of license for which you were the documented instructor for your practitioner renewal.¹ Documentation may include a training center roster or signed statement from the training center.
- [Wis. Admin. Code § DHS 110.28\(4\)\(b\)](#) requires continued affiliation with a training center.
